3. Professor Albert Carnesale of Harvard University discussed "Two Sides of Strategic Arms Issues" on 1 June in the fifth of the Office of Training and Education's (OTE) Soviet Affairs Lecture Series. Carnesale offered a provocative look at the strategic, political and technological issues critical in any arms control deliberations, and then focused on the US rationale and Soviet response for the Strategic Defense Initiative.

4. OTE has begun the first eight-week summer training program for the students enrolled in the Tuition Assistance Program. The Agency will provide these university students Agency training and tuition assistance for their last year of school with the understanding that they will become Agency employees upon graduation.
